Dear Nancy,

I don't take for granted the miracles that we continually witness here at SFJ. One of these miracles involves Melissa and Jared, a mother and son duo from Iowa. Melissa Reams is our Iowa State Representative and last fall, she and Jared applied for our upcoming mission trip to Kenya. I could not wait for Jared's phone interview because his application included a testimony of how he knew that he was supposed to go to Kenya during his senior year of high school. As Jared began to share, he told me about a recurring dream in which the Lord was calling him to go to Africa, and he saw himself in the villages each time. The dream was so vivid that after the third time, he got up to tell his mom. This was an exciting confirmation to Melissa, who already felt a call to the Kenya trip.

Now, that all sounds exciting— but have you ever faced severe disappointment after a mountain top experience? Several months later, Melissa called to tell me that due to funding issues, she and Jared had to both back out of the trip. They were heartbroken and confused but it was almost time for us to purchase airfare and both of them were far behind in their payments. My heart sank because I was so certain that the Lord had added them to this team! I began to pray out loud in my car, asking God for a financial miracle for Melissa and Jared.

A few weeks later, I got a phone call that changed everything! Melissa and Jared had just received two unexpected and miraculous gifts that caused both of them to be fully funded for the trip to Kenya!! Melissa thought they were too late, but

we purchased airfare later than expected and He showed up just in time - to God be the glory!

Today, I encourage you to trust Him with the vision that He has given you. There are moments when you will be tested and tempted to give up on the vision. But once you see Him provide, it will become a defining moment in your life! God's provision always follows the vision, so keep trusting and believing!

I hope that you'll make plans to join me for our fashion show luncheon this fall, and may God bless you abundantly.

Sincerely in Christ,  
Diane Studer  
SFJ Founder/Director

## Volunteer of the Month

We are pleased to honor our dear friend, Jo Stumpner, as our Volunteer of the Month! Jo has been serving at SFJ for nearly five years as a SOS Leader, where we sort and organize shoes in our warehouse. Jo shares, "I choose to serve at SFJ regularly, because it is a small investment of my time that has the potential to make a positive impact on the masses. It feels good to give and to be a part of such a great organization."

We asked Jo how it feels to know that you're the last one to touch the shoes before people in Africa receive them and she shared, "That is my favorite part about helping at the SOS events! I often share this with the volunteers. I still shed a tear, even after all these years, thinking about the joy on the face of the recipient of the shoes I just placed in the box."

We are so blessed to have Jo on our team! Thank you for all that you do for SFJ!

When asked why the mission of SFJ is important, their team leader, Linda, shared, "I have two bother-in-laws that both lived in Africa and one still does. I know through them how much shoes are needed." Thank you, Compass Church, for your support!

Thank you for being so willing to serve!

## Distributions in South Sudan

Fermo, our EHC National Director in South Sudan, continues to distribute shoes and share the Gospel. Please pray for peace in this nation as fighting continues between government leaders, forcing more and more people to abandon their homes and livelihoods. Pray also for protection over the EHC team. Now more than ever, the people of this nation need the hope of Jesus, and the comfort of receiving a much needed gift at a time of insecurity and fear. We look forward to sharing testimonies with you soon. View pictures of this shipment [HERE](#).

## Meet one of our Partners

Meet our Every Home for Christ ministry partner, Joseph Gule. Joseph serves the Lord as a leader and evangelist in Swaziland, along with his wife, Zama, and their five children. His goal is to mobilize 250 church leaders for house to house evangelism, and he hopes to organize a prayer team of 300 young people. Joseph shares that it's incredible to see churches opening their doors for shoe distributions. Some people are stepping in to a church for their first time. Praise God for this opportunity!

He specifically asked for prayer for these things:

- Please pray for my family. We currently rent an apartment and it is very expensive. My dream is to build a home for my family and meet their needs each month.
- Pray for God's protection over our office staff and board members, that they will have the passion and strength they need for ministry.
- Pray for more church partnerships in our country.
- Pray for every individual who receives Jesus, that they will continue seeking Him, and that they will share their experience with others.
