Dear Friend,

Since our team returned from Tanzania, several people have asked me to share a testimony about something that made this trip unique. Each mission trip is full of amazing God-moments but there is one day from this trip that I'll never forget. As we were driving to our second village, suddenly there was confusion about the location of our distribution. Usually, we use a church building so that people can come back and grow in their faith, and it also creates shelter from the hot sun and crowds. But on this day, the local pastor called to tell us that the crowd of people was gathered far away from the church, under a massive tree used for Bible study. The problem was that the tree was very hard to reach, and so we stopped the van to discuss our options and pray. It quickly became clear that we needed to go to where the people were waiting, and by the grace of God our van made it!

We proceeded with our first open air shoe distribution, under the massive tree at the foot of Mt. Kilimanjaro. It was amazing, and I kept looking over my shoulder to take in the breathtaking view of Mt. Kilimanjaro. The day prior, the team asked if we could get a quick peek of the mountain at some point during the trip. Not only did we get a "peek" but we got to soak in her beauty all day long! I love it when God takes our Plan A and transforms it into an even better Plan B. His ways are always good, and I encourage you to trust Him today if your plan A isn't going the way that you expected. We were able to serve so many people under that tree, and people walked for hours to reach us. Entire schools and villages came to hear the

## Volunteers of the Month

We are thrilled to honor our friends at Hope Church as our Volunteers of the Month! This group has played a key role in the success of Race For Soles over the last three years. They are a fun crew and they serve with joyful attitudes. Volunteer organizer, Nick Kaun, shares, "We realize that what we have is actually all God's; we are just stewards. What we have materially, our talents and skills, the time we have, it is all His. He gives it all to us, and how we use it is important." Thank you all for the time and love that you invest into SFJ!

Gospel and receive their own pair, as the news about free shoes traveled. It was a day that we will never forget; to God be the glory!

I hope that you are enjoying your summer, and that you have a wonderful Fourth of July celebration.

Sincerely in Christ,

## Race For Soles

The Race For Soles 2016 was a great success! Thank you to everyone who came out to Waukesha County Technical College in Pewaukee to make this an incredible event. We are grateful for such a wonderful morning where friends and families enjoyed food, games, prizes, and fellowship, following the 5k run and the 2 mile walk.

We want to say a big, "Thank You" to our Gold Sponsors, American Imports and Bryant Products, for supporting this event. Special thanks to Terri Mitchell for being our fabulous emcee, and also to Mark Weber and Roberta Pratt for capturing great photos. We also appreciate Ian Bennett from the Milwaukee Wave for joining us and for handing out medals to our winners. Last but not least, we want to thank all of our volunteers who shared a helping hand. We could not have done this without your help and support. Praise the Lord for all that was accomplished as a result of this event! To view more photos from this day, click [HERE](#).

**Joshua Wolfsohn-** It was a joy to meet Joshua Wolfsohn this month, as he and his dad drove from Nebraska to deliver their shoes. For his Eagle Scout Project, Joshua hosted a shoe drive and it was a great success! He shares, "I chose to collect shoes for Soles For Jesus because I could see that there is a dire need for shoes in Africa. I could see how my shoes and the shoes of everyone participating in the drive would change lives. I held a work day with my scout troop where I led the boys in cleaning and disinfecting the shoes that we collected. The experience was fun and I would definitely do this again in a heartbeat." We love your heart for missions, Joshua! Thank you!

## Meet one of our Partners

Pastor Benjamin Holder is the newly appointed EHC National Director in Liberia. He gives all praise to our almighty God for the work that He is doing through his ministry team. He shares, "We have seven outreach coordinators who are responsible for seven different regions in our country. Each of them has a goal to reach five-thousand homes a month and sixty-thousand homes a year with Biblical literature that shares the love of Jesus Christ. Our partnership with Soles For Jesus is helping make this happen. It's incredible to see people jump for joy and thank Jesus when they receive their first pair of shoes."

Benjamin and his wife, Fatu, are blessed with four children: Benjamin, Bentu, James, and Augustin. Please join us in prayer for his family and for the following prayer requests:

- Peace and stability in Liberia, so they can continue to reach homes.
- For an Ebola-free nation.
- An increase in financial provision, so they can purchase Bibles and other essentials to help others.
