#### Dear Friend,

I just returned from Africa with an ignited passion for what He's called us to do. Our Zambia mission team was able to prav and share Christ with so many people who will never be the same again! I chose this photo to show you our view while we are on our knees washing feet inside the village church. A huge crowd of people are waiting and many have walked for hours just for the chance to receive a free pair of shoes. Often times they leave with the greatest gift of all, eternal life in Jesus!

I just received a great testimony from our host

pastor in Zambia, Richard Kakuwa. A few days after our shoe distribution in Kampekete, this village church had a huge turn out for church on Sunday morning. The village Pastor shared that many new people came because they heard about Jesus and they also wanted to know Him. Praise the Lord that many more people gave their lives to Christ during this church service, and the Lord continues to do a great work in the villages of Zambia!

I am deeply humbled to see the Lord's favor and blessing poured out so generously over every part of this ministry. Only God can do what we are experiencing and we are deeply

## **Team Zambia**

We praise the Lord for all that He did during our time in Zambia! We are so grateful for the team that He assembled and for how He allowed us to serve with such unity and love. What an honor it was to wash the feet of these beautiful people and to share the Good News. We ministered in the Shiphanuka, Kapete and Manuka villages, as well as Every Orphan's Hope and Fountain Gate Home orphanages. Thank you for your prayers during our trip! We ask that you please continue to pray for the people of Zambia and for our EHC partners, as they continue to distribute shoes and share the love of Jesus.

#### **Volunteer Of The Month**

We are thrilled to honor Tony Nunez as our May Volunteer of the Month! Tony is a professional videographer/photographer who joined Team Zambia to document our trip. You can check out his incredible work at <u>www.altvra.co</u> and <u>www.bella-hill.com</u>. This is a very busy time for his business, yet he traveled with us and donated his time and talent. Though he had a different role on the trip, he quickly became part of the team and we are so grateful for him!

This trip had a big impact on Tony. He shares, "Going into this trip, I wasn't sure what to expect. I had an idea, but nothing came close to what I experienced. I initially thought I would be a fly on the wall and capture the moment as things were happening and not participate in the group activities much. But God had other plans. By the end of the trip, I had an opportunity to wash feet alongside everyone, and it was the most humbling experience ever. I stepped out my shell of self and served the people as Jesus did and it's a memory I'll have for the rest of my life."

Tony has great advice for anyone considering a mission trip. "Be prepared for a long journey. Be ready to step out of your comfort zone. Be prepared to have a whole new

Tony and his wife, Kimberlee, have three sons; and Tony considers himself a free spirit, who loves people, culture, good conversation, a well-directed film, and music. Thank you, Tony, for your servant heart and for being such a special part of Team Zambia. We pray God's abundant blessings over your family and business!

## Shipping Update From Burundi

The shipment that left the Soles For Jesus warehouse in January destined for Burundi, has finally arrived in the Port of Dar Es Salaam. The next step is for the port officials to transfer the container to the truck that will carry it the final 950 miles to Bujumbura, Burundi. This step is very important and our partners are prepared to show all the necessary paperwork, but sometimes officials try to complicate this part of the process. Pray for God's favor and a quick turn-around time so these shoes can reach one of the poorest nations in the world.

Our partner in Lesotho, Josias, sent us the following testimony from Mrs. Lamane, who lives in a rural region of the country. She writes, "May God bless Soles For Jesus and the EHC volunteers in Lesotho who told me about the great news of the Gospel and offered a pair of shoes to me. It is so rare in this world for people to care so much about others. I have been blessed in so many ways today. This day has been like a miracle to me and I thank Almighty God, whom I now serve for His great love for me."

### Where In The World Is Liberia?

Liberia is a small country on the Western African coast, with a population of 4.7 million. English is the official language, but over 20 indigenous languages are spoken as well. Liberia began as a settlement of the American Colonization Society, who believed African Americans would face better chances for freedom and prosperity in Africa than in the United States. Between January 7, 1822 and the American Civil War, more than 15,000 freed and freeborn African Americans who faced legislated limits in the U.S., as well as 3,198 Afro-Caribbeans, relocated to the settlement. The settlers carried their culture and tradition with them to Liberia.

Liberia is one of the world's poorest countries, and their economy depends heavily on foreign aid, foreign direct investments and exports of natural resources; such as, iron ore, rubber, and timber. In the Ebola outbreak of 2014, Liberia suffered the most fatalities at 4,809. SFJ has sent shipments of shoes in 2013, 2014, and 2017. Please join us in prayer for the precious people of Liberia.
