Dear Friend,

Have you ever been in awe of God's love? Psalms 33:8b says, "Let all the inhabitants of the world **stand in awe of Him!**" Well, it's been over a month since we returned from Zambia and faces like this are still on my mind. When Daniel and his father sat in the chairs before me, we shared an emotional time of prayer and foot washing. The Lord's presence was thick and they were overwhelmed with God's love and completely in **awe**. When they received the promises from God's Word, including salvation in Jesus, it was life-changing for both of them! And when I presented Daniel with a new pair of shoes his father's eyes filled with tears, since school was starting soon and his son did not have the required shoes. Daniel clung so tightly to his shoes and I encouraged him to thank Jesus each time that he puts them on because this gift is from Him.

When you experience God's love, you'll never be the same again! Thank you for your faithful support of Soles For Jesus, and I'm so grateful for each person who prays, volunteers, supports and helps hold up the arms of the ministry. I am in awe

## Mission Trip Testimony

We praise the Lord for the impact that mission trips have on those who go. Many times, we go to serve and bless the people of Africa, yet we are blessed so much in return. Chloe Harbach was a part of Team Zambia 2018, and she shared her experience with us.

"I definitely felt that the work we did was meaningful. I could see the Lord working through me to connect with the Zambian people. I have never felt so in touch with the sensitivity it takes to hear the Lord's voice. This was truly a faith-growing experience for me.

success. We praise the Lord for all that was accomplished as a result of this event, and we hope to see you next year!

This was the most enlightening spiritual experience I have ever had in my life. I think being in an unfamiliar place, so far from anyone I know, really forced me to rely so heavily on the Lord. It was a little intimidating for me in the beginning to share my faith with people, to pray over them, and to just talk about Jesus. I felt like I wasn't ready or qualified to say those things. The Lord worked through me, though, and seeing the team dive in really encouraged me to stop thinking about myself and how I looked on the outside and to just reach out with my heart to help the people around me."

Some highlights for Chloe were sharing her testimony at church, playing with a beautiful little boy named Gift and learning how much she could love a child, the night the team prayed over her, and the opportunities to pray over members of the team. Thank you, Chloe, for sharing your heart. It was a joy to have you on the team, and we pray for you and your next adventure!

## Shoe Drives & Special Thanks

**Hamilton Sussex Softball, WI** - Thank you to the parents and families from this great team and community! Your support and partnership to donate shoes will impact many lives in Africa!

## Volunteer Of The Month

We are thrilled to honor Pat Pfankuch as our June Volunteer of the Month! Pat and his family started out hosting shoe drives for SFJ several years ago. Then they learned that Performance Running Outfitters was accepting used running shoes at their stores for recycling. Pat approached the store about picking up the shoes for Soles For Jesus, and the store owner was happy to see the shoes sent to Africa. Pat picks the shoes up from the store on a regular basis, and his whole family is involved in sorting them, by making sure they have a match and in good condition. Once the shoes are sorted, Pat delivers them to SFJ.

"We laugh about our white van that currently is rusting and has 200,000+ miles on it. I'm not sure that we can ever get rid of it because it is our main shoe transporter. This has been an easy way to make a big difference, as the shoes from Performance Running Outfitters are terrific and are usually in great shape," Pat shared.

Thank you, Pat, for all that you do for SFJ! These athletic shoes are incredible, and we would not have them without your special delivery service. We pray God's abundant blessings over you and your family!

## Shipping Update From Burundi

We are very excited to announce that the shoes have now arrived in Bujumbura, Burundi. Our partner, Evariste, is very excited to have the shoes and he has big plans for them. Starting next week he is launching a shoe distribution plan that will reach four communities with shoes and Gospel literature. After that, he plans to reach 3,000 students in a very poor part of his nation that has seen flooding and landslides recently. Please continue to pray for the success and safety of the EHC Burundi Ministry team.

We are thrilled to report that the shipment to Liberia is now on its way, and these shoes are currently on a ship heading to Monrovia. Our partner, Jonel Weeks, and her team are ready to evangelize to many rural areas. Liberia has a strong Islamic influence and your prayers are needed to help people hear the truth of the Gospel and receive Jesus as their loving Savior.

Jesus Christ is shared with everyone. With this in mind, we traveled to the Matlameng area in the north of our nation. The people there were eager to hear the Gospel and many accepted Jesus Christ as their Savior. It was only after preaching that we offered shoes to those who had gathered. We are rejoicing for all that we saw God do that day. Thank you for your support." -Pastor P. Ralenkoane

## Meet One Of Our Partners

Meet Josias Mohanoe, our EHC ministry partner in Lesotho, Africa. In Josias' report, he shared with us Hebrews 6:10, "God is not unjust; He will not forget your work and the love you have shown Him as you have helped His people and continue to help them." He wishes to share his sincerest gratitude for all of those who support SFJ. He says that seeing tears of joy from those who have received a pair of shoes is a miracle. Josias strongly believes that those who have heard and accepted Jesus will remember SFJ for the rest of their lives. Josias and his team are now working to reach over 1,000 souls with the Gospel and hope to train forty percent of them through discipleship training. He has asked us to pray for the following:

- God's wisdom for the volunteer distributors
- Protection over the herd boys who live high up in the mountains

volunteer events and she wanted to take action to help bring in more shoes. Thank you Cathy for reaching out to friends and family and for helping to spread our mission while making a difference in the lives of many!

## Where In The World Is Guinea?

Guinea is a small country on the western coast of Africa, with a population of 12.4 million. Guinea declared its independence from France in 1958. French is the official language of Guinea and it's a predominantly Islamic country, with Muslims representing 85% of the population. Their biggest export is bauxite, which is used to make aluminum. The country was at the core of the 2014 Ebola outbreak, resulting in the death of over 2,500 Guineans. The literacy rate of Guinea is one of the lowest in the world. It is estimated that only 41% of adults are literate. Children, particularly girls, are kept out of school in order to assist their parents with domestic work or agriculture, or to be married. Malnutrition is a serious problem for Guinea, and HIV/AIDS and Malaria are also prevalent.

SFJ has sent shipments of shoes to Guinea in 2015 and 2017 and we are thrilled to partner with all that the Lord is doing in this nation. Please join us in prayer for the precious people of Guinea.
