Dear Friend,

I'm so grateful for the amazing ministry partners that we have. World Missionary Press is a key partnership that the Lord established during our first year. Almost all of the scripture booklets that we give with each pair of shoes are from WMP in Indiana, where they print booklets in 348 languages. We also have many of the same partners in Africa, so we are able to send a couple of joint shipments each year as well. Meeting the physical and spiritual needs of people is a powerful way to demonstrate God's love, and I'm so grateful for how the Lord has connected us for His purposes!

Last weekend I was invited to join WMP for their 58th Anniversary Celebration to speak about our great partnership at their Dinner. They also hosted a shoe drive for a joint shipment that we are sending to Mozambique. This shipment will be filled with 5 pallets of shoes and 5 pallets of scripture books that will be printed in 5 languages. To God be the glory! Nine huge shipping gaylords of shoes were collected at WMP's Open House and we are so grateful for how their community responded. Together we can do more and we thank the Lord for this Kingdom partnership!

All of us at SFJ cannot wait to celebrate our 10th Anniversary next weekend! I'm so grateful for each sponsor, volunteer and supporter that is helping to make this day so special. We still have

We are so excited for how the Lord has assembled this team that will go to Botswana in May! We had an opportunity to meet for the first time last night to pray over the shoes that we'll distribute in May of 2020. Sao Tome & Principe Shoe Distribution

"The community of Laura has less than 300 inhabitants and has never had a church. The shoes that we received from Soles For Jesus were the perfect gift to take to these people. Since they did not know us, we felt it was important to show that we come to them wanting nothing from them, only to share our faith and the power of salvation. When we arrived, we explained to everyone that we had come first to share the Gospel and second to give them a gift of shoes."

"Everyone in the community was pleased and allowed us to share a Gospel presentation and many responded to our message. We praise God for this success and EHC Sao Tome & Principe has partnered with a nearby congregation to plant a church in this community! When we freely gave them shoes the people were so pleased that strangers from the USA and their own country would think to come to their small village to bless them. Everyone was incredibly thankful and they send their thanks to Soles For Jesus for the gift of shoes."

Benin Distribution Update

Shoes from Pennsylvania - We just received another shipment from Pennsylvania including 2,478 pairs of shoes! This is amazing and we are so grateful to Don & Michelle Simon and Jan Moreth for making this possible! Over the last year, they've collected 7,724 pairs which brings their total to nearly 50,000 pairs of shoes! We also want to express our thanks to John Cory who transports the shoes for us each time. You all are a tremendous blessing and you're the reason that PA is our 2nd most active state. We can't wait to see the Simons next weekend at our 10 Year Anniversary and God bless you all!

Gospel of Jesus with the most vulnerable and orphaned children. After we distributed the shoes, there was incredible joy throughout the community. It was truly overwhelming how this village was touched and transformed. All the elders of the village were present during the distribution and greatly appreciated these gifts, and had such open hearts to our message."

"The leader of the village, Mr. Alain said, "It is the first time in his life he saw the children of his village so happy." Also, a mother named Adjoa said, "Since her husband died no one has ever remembered her and her children, so this free gift of shoes shows her that God has not abandoned her or her children." In conclusion, we praise the Lord for the partnership with Soles for Jesus. This is a unique organization, which is having an incredible impact on the lives of so many people in Benin."

Cabo Verde Update

We are praising God for the safe delivery of shoes received in Cabo Verde on Friday, October 25th. For many weeks the shoes were being stored in the port as our partner Emanuel faced numerous government delays in processing the paper work. At times, this can result in having to pay the port a storage fee. However, we praise our Almighty

God that all of the fees were waived and the shoes were delivered safely!

The entire EHC Cabo Verde team expressed their thanks for choosing their nation with this shipment. After several delays they are very excited to share the Gospel and shoes with those who are in need. Please pray for many to become disciples of Jesus Christ as a result of these distributions.

that's kind of how it began. I called and spoke with Diane, and then I came and met her and she showed me around the office and warehouse. Once I saw the video I was hooked and have been ever since. SFJ means an awful lot to me. I love the people who work and give their heart to this ministry day after day. I love the mission, and after going on my first mission trip this year, my heart is with the people of Africa. It's a beautiful ministry, from Diane to the people of Africa, and everything and everyone in between."

Craig is a big sports fan and he and his wife, Caryn, have three Collies that they love to pieces. They also have two children and six grandchildren! Thank you, Craig, for the many ways that you support SFJ. We are so grateful to you and pray God's blessings over your family!

Meet One Of Our Partners

Meet our Every Home for Christ ministry partner in Malawi, Gilford Matonga. Years ago when Gilford decided to follow Christ, he no longer felt rejected but fully accepted by God and his new church family.

Now Gilford is sharing the Gospel message with thousands of families in Malawi and he desires to see the spiritual life of his nation transform.

As he leads others to Christ, Gilford reflects on Matthew 25:31-45 as a reminder of how practical Christian living is. Part of this passage says, *"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me (Jesus)."* Gilford recognizes that the way of Christ can be as simple as helping others in need. Let's support Gilford by praying for his requests:

- Good health and provision for Gilford and his wife, Maggie and their three children
- The improvement of Malawi's economy
- Political stability in the country
- Favor from the government for Gilford and his ministry
