Dear Friend,

A friend just reached out to me with a realization she had while she was praying for us. She shared that SFJ has an amazing model for ministry, especially during these times. We don't rely on people traveling from the U.S. to Africa to get the message of Jesus out, and to share His love and shoes. And it just hit me again how wise and effective the Lord's plans are when we follow His lead. SFJ's ministry model is completely His plan! Even in the midst of this global pandemic when many things are being shut down, we have not stopped doing what He's called us to do. We are still sending shoes and God's Word, and our ministry partners are faithfully bringing them to people in great need. Now, there may be some more challenges and check points with shipping and traveling these days. But the Lord is making a way and the testimonies of the harvest continue to

FIRST Shipment to Republic of Congo

Exciting news at Soles For Jesus! We can now add the name of one more African nation that we have reached with the Gospel: the Republic of Congo! This is the 27th African nation that we are reaching because of your support.

This is a joint shipment with our friends from World Missionary Press. Our partner in Congo, Brice, shared with us, *"We are so excited to receive these*

make it worth it!

Rev. Sunday Avla in Benin just shared, *"I thank God for His grace upon our lives during this period of COVID-19. Soles For Jesus has helped us to share the Gospel in certain communities that we weren't able to before. Our country is known as a voodoo worshipping nation and it's very difficult to share the Gospel in those places. But we used shoes as a means to introduce the Gospel! The north side of our country is highly dominated by Muslim communities and the shoes also opened doors to share the Gospel there. I want to thank you for the great help you are providing for the African nations in our EHC Zone: Benin, Sao-Tome, Cape Verde and Cote d'Ivoire. I humbly request another shipment of shoes for Benin because the one we received is finished and this is such an effective way to share the Gospel! God bless you all."*

To God be the glory and may the Lord bless you abundantly for being a part of this Kingdom work.

shoes and Gospel booklets. These are a tremendous help to our team in reaching people with the Gospel. We send our deepest thanks to everyone who has contributed to make this ministry possible."

Please join us in prayer for the safe arrival of this shipment and for many to be added to the Kingdom as they find Jesus as their Savior.

partners went to serve orphans in the village of Sedje, and there was great joy in receiving shoes and hearing the Gospel.

As the team prepared to leave, the family of a woman named Elise asked the team if they would come and pray for her. She was very ill and they were glad to have the opportunity to pray with her in Jesus' name. Shortly after they arrived home they were informed that Elise was healed! Praise the Lord!! We rejoice in seeing the Lord do amazing things in people's lives to show His great love for them in Benin and throughout Africa.

people, which has allowed our ministry partner and his team to start distributing shoes and sharing the Gospel. The first distribution was met with great excitement by all. Ebow shares that everyone who gathered was deeply touched by the Gospel and the gift of shoes. Shoe Drives & Special Thanks

No Limits Running Club, Milwaukee

- We are cheering on this group for organizing a 24-hour marathon and collectively running 750 miles! We are out of breath just thinking about that. And if that wasn't enough, they also collected shoes and the funds to ship them! Special thanks to Coach Dave for coordinating this event and delivery. We appreciate you all for running alongside us to make a BIG difference in many lives throughout Africa!

During the past month, our ministry partner in Liberia organized shoe distributions at several orphanages in various locations across the nation. Jonel writes that these orphanages are mainly self-funded and have many needs, with shoes being one of the greatest. Their ministry team was warmly received at each location and one orphanage Director shared, *"It had to be the power of the Holy Spirit to tell you that we needed help. These items reached us just in time. God has used you to provide for our orphans and we are extremely grateful."*

Please continue to pray for the ministry team in Liberia as they keep sharing the Gospel and bringing eternal hope to those in great need.

Meet One Of Our Partners

Meet our Every Home for Christ (EHC) ministry partner Douglas Mudimba, who is the East Africa Director. Douglas met Jesus in 1995, when he was invited by a friend to a Sunday church service. During the service, Douglas felt like the preacher was speaking directly to him and dealt with a number of issues he was struggling with in his life. At the end of service, the preacher gave an opportunity for those who wanted to commit their lives to Jesus Christ. Douglas responded to that alter call, prayed the sinners' prayer and enrolled in a new believers class.

Douglas' ministry goals are to appoint God-fearing ministry directors in St. Helena, the Comoros Island, Sudan, Madagascar and Angola, and to ensure the presence of a functional ministry board oversight in all of the nations that fall under his region. His favorite Bible verse that encourages

Thank you, CTaccess, for partnering with us!

Andrea Bergman as our Volunteer of the Month! Andrea first learned about SFJ when she was a guest at a SFJ Fashion Show Luncheon. She was deeply impacted by what God is doing through Soles For Jesus and decided to become involved. Andrea started by collecting and donating shoes and volunteering with her kids at SOS events. She also became part of the Annual Fashion Show Luncheon as she modeled the runway in several fashion shows, and she has recently become one of our SOS Leaders.

"I love this ministry and the prayerfulness of all the leaders and selfless service of all the volunteers. God moves mountains, or rather huge shipments, because of the love of these people to share the Gospel and meet the physical and spiritual needs of people around the world. This ministry has caused me to pause and pray. To really pray for God to move hearts closer to Him through shoes. I have seen and heard amazing works of God through Soles' simple acts of collecting shoes, sorting shoes and prayer," Andrea shared.
