"...Whatever you did for the least of these, you did for me."

Dear Friend,

There's no family like our SFJ family! It was wonderful to be back together again at our Stroll for Soles event. Thank you to over 270 people who participated and the Lord blessed us with a beautiful day. I loved seeing families and people of all ages enjoy the fellowship, food trucks, games and a beautiful walk, roll or jog through the serene trails. This was our best summer event yet and everyone had such a great time. I'm so blessed by our SFJ family, and you can click on the picture below to see our Photo Album.

I also want to thank each person who contributed to our spring appeal for shipments to Mali and Niger. PTL that we just reached our goal and I am grateful for the generosity of each gift and giver! Our very first shipment to Mali is ready to go and our staff just prayed over it. Tears filled my eyes as we prayed for each person who will hear about Jesus for the first time. Mali is predominately Muslim and 95% of the population is Islam— and this is the first time that we are shipping to Mali! What a privilege to plant seeds of faith in the name of Jesus and we are believing for a mighty harvest. Our partner missionary is seeing an incredible move of God and eyes are being opened to the Truth. He is so thankful

Testimony From Congo

In Congo, the work of sharing the Gospel and distributing shoes is having a powerful impact on whole communities. Our partner, Brice, shares that many people are coming to Christ and being baptized as a result of finding Jesus at shoe distributions. His team is very excited to help these new believers connect with local churches so they can be discipled and grow in their faith. They continue to distribute

Shipment to Guinea Bissau

Shoe distributions in Guinea Bissau are now underway after receiving our shipment of shoes in April. Despite several challenges and traveling many hours to reach rural villages, the first distribution was a great success.

The ministry team shared the Gospel and distributed shoes, which brought great joy to everyone who gathered. Many people made the decision to follow Jesus that day and they are now connected with local believers and churches. To God be the glory for

Testimony From Eswatini

While the size of gatherings in this nation is still limited to a maximum of 100 people, shoe distributions are going well. With the possibility of another Covid lockdown coming soon, the ministry team raced to reach 8 locations as fast as possible.

Our ministry partners are encouraged to see many people choosing to follow Jesus as a result of their efforts. They are so grateful that God has opened a door for them to bless people physically and spiritually. Please keep praying for a great

Update from Sao Tome & Principe

In the island nation of Sao Tome & Principe there are incredible needs, both spiritually and physically. Jose, our ministry partner, recently spent time distributing shoes in Principe. He found great spiritual darkness, which moved their ministry team deeply.

Jose shared that helping people with basic needs opens the doors for sharing the Gospel. People were very receptive to the message of Jesus Christ when they saw that the ministry team was also prepared to help meet their physical needs. Jose asks that we keep praying with him for a spiritual

Meet One of Our Partners

Meet our Every Home for Christ (EHC) ministry partner in the Republic of Congo, Brice Severin. Brice grew up in a Christian home but he strayed from his faith and became dependent on things like cigarettes and alcohol when he lost his

deliveries each year with shoes from Pine Ridge Bible Church and World Missionary Press in Indiana. We enjoyed giving him a tour of our new office and warehouse space, and it's always a blessing to see him!

Thank you for visiting us from IN, Jim!

father as a teenager.

One day while he was in college, Brice heard a voice speak to his heart saying that he should dedicate his life to God's work. He resisted for months, until an evangelist reminded him that God was calling him and that he was resisting. Still, he continued to resist until May 7, 2004, when he heard a testimony from a man of how God had changed all of his ambitions and he reached a point where he agreed to go wherever God would take him. That testimony made Brice cry, as he admitted that he'd been resisting His voice, which had been so clearly speaking to him. Brice went to his knees and cried out to God, saying, "Lord Jesus Christ, forgive me that I did not want to surrender entirely to you. I open my heart to you, so that you can do with me what you want." From that moment, Brice's life radically changed and he began sharing what Christ has done in his life.

Brice and his team are working on a very exciting project called "Child Winners of Souls,"

Volunteer of the Month

We are thrilled to honor Melissa Smith as our June Volunteer of the Month! Melissa has been a long-time volunteer at SOS events and she also

is a rewarding, 2-hour, team building opportunity for youth and adults. Please contact Yenh@SolesForJesus.org or 414-365-1392 to set up your group.

comes to sort and pack shoes on her own. She's also on the Auction Team for our Annual Luncheon.

Melissa learned about SFJ over 10 years ago, when Diane spoke at her church. "Listening to her speak inspired me! So when I saw that they had volunteer events, I went to one and I LOVED it! I was in awe that just a pair of shoes could change a person's life and bring them to know the Lord's love! Also, to be the last person to touch the pair of shoes before they are sent and given to someone in Africa gives me a sense of how important it is for them and how much we take for granted," Melissa shared.

Melissa loves finding new ways to be involved at SFJ, including running shoe drives at her house. "I asked for one of the shoe collection boxes and put it on a cart. I wheel it to the front of my house every morning and take it in before it rains and at night; and it's that simple! The box fills up every week and I just sort the shoes at my house and take them in! It's so much fun! I also

go to rummage sales and tell them about Soles For Jesus and about my shoe drives too."

Melissa is a paraplegic and she's been in a wheelchair since 2004. When she's not doing shoe drives or volunteering at Soles For Jesus, she loves to wheelchair ballroom dance, scuba dive, make floral arrangements, go on bike rides, workout with her SCI group, and rummage.

Thank you, Melissa, for all that you do for SFJ! You are a blessing to us and we are so grateful for you!
