"...Whatever you did for the least of these, you did for me."

Dear Friend,

We have the best Ministry Directors in Africa! I had an incredible time in Ethiopia with these leaders from across the continent, as we came together for several days of training, prayer, strategizing, worship and fellowship. Our partnership with Every Home for Christ was God's plan and I'm so grateful that He's connected and united us for almost 15 years. Our days together were so rich and I thank God for all that He is doing through these men and women.

On the first day I participated in a prayer conference, where we strategically prayed over every nation with prayer points and worship. It was

also a joy for Michelle and I to pray over every woman, as the room was filled with over 60 “Esthers” from every nation. The rest of the days were filled with presentations from each leader and region and we also commissioned and prayed over four new couples who were appointed as leaders in their nation. The worship and teachings from God’s word were so powerful— and I’ve returned recharged and refueled for what He’s called us to do!

Next Saturday, we will officially celebrate 15 Years of Kingdom Impact! It’s hard to believe it’s been 15 years and it’s amazing to see what He has done. 31 nations have received shoes and God’s word multiple times—and discipleship continues in each place for tens of thousands of people who have chosen Jesus as their Savior. I pray that you are able to join us for this event in person or online, as we praise the Lord for all that He is doing here and in the nations. While I was in Ethiopia, I received so many requests for more shipments of shoes and I heard first-hand how much

Peace in Guinea Bissau

After months of unrest between village authorities our Ministry Director, Pastor Julio, was allowed to bring a shoe distribution to the people of Carmaco in Guinea Bissau. After the distribution, the village authorities were thrilled and even gave permission to build a church in the village. A new church has now been built and peace reigns between the community and the church. All of this came through the precious gifts of shoes opening the door and we praise God! Please join us in praying for lasting peace in Carmaco and that the love of Jesus will reign.

Testimonies From Lesotho

"I am blessed to have been visited by God through you. It is winter now and we need warm shoes to protect our feet against the cold and the harmful things around us. The gift of shoes is special to us and we cannot afford the price of these kind of shoes. I am an aged woman who looks after my orphanage grandchildren and I do not have enough money to supply their needs. Above all these things I want to thank you, God and the people of SFJ for the shoes and Gospel literature to read

Despite many crises plaguing his country, Pastor Joseph says he stands firm on the promises of God for his ministry work and places his trust in the wisdom of Hebrews 11, which speaks of "faith in action".

Soles For Jesus has been blessed to witness Pastor Joseph's faith in action as he ministers to hundreds of people across Eswatini, leading many hearts to Jesus Christ. We look forward to reuniting with him and his team in 2025 to continue this Kingdom work on the mission field!

We pray for God's blessing over the following needs:

hear the Gospel when our Mission Team arrives in May 2025. May many receive Jesus as their Lord & Savior!

Where in the World is Eswatini?

The kingdom of Eswatini was formerly known as Swaziland until it was renamed in 2018. Eswatini is a small inland country, surrounded mostly by South Africa, as well as Mozambique to the northeast. The government of Eswatini is led by King Mswati III and is the only remaining absolute monarchy on the African continent. Employment

opportunities are largely agricultural and manufacturing-based, and their main economic resource is the cultivation of sugarcane. It is estimated that nearly 70% of orphans in the country lost their parents to AIDS. Currently, children under 15 make up 35% of the total population and this loss of the "middle generation" has had significant effects on the national economy and infrastructure. Please keep the beautiful people of Eswatini in your prayers, along with our faithful ministry partners. Even in the midst of great challenges, the Lord is moving and we can see it!
